

PROFESSIONAL Concertina

- Super lightweight pop-up frame and soft-panel system set up single-handedly in minutes.
- Elegant, curved surface and rounded, column-style ends make the Concertina ideal for a trade-show backwall; fits in a standard 10-foot booth.
- Wall panels attach magnetically without gaps, for a seamless, continuous display perfect for large graphics.
- Standard rolling shipper case doubles as a reception desk, podium or display table.
- The Concertina also provides an attractive addition to building lobbies, public areas, anywhere you want to look your professional best!
- Assembled dimensions: 8.5'W x 7'H.

Sturdy pop-up frame sets up easily.

Includes durable rolling shipper.
