Conference Room Furniture

Conference Room Furniture

This completely modular system allows you to configure interchangeable components and complementary accessory pieces to your specific room requirements. Select from Light Oak and Cherry laminate finishes with pewter powder coated steel bases.

- Three table shapes—rectangular, semi-circle and curved triangle—for maximum flexibility and versatility.
- Seamless, natural look vinyl laminate tops resist stains and scratches.
- Tables fold down for storage or transport and have rollers for easy mobility and quick set up.
- Tables equipped with adjustable leveler glides and interlocking latching mechanism.

- No assembly required!

Wide Body AV Carts & Overhead Projector Cart

- Wide Body Cart shelves adjust to two heights with recessed tops for equipment safety.
- Wide Body Carts are available in two heights—45" & 55"
- Overhead Carts have a height adjustable middle shelf to accommodate any overhead projector.
- Overhead Carts have twin folding side shelves for presentation supplies.
- Both Wide Body Carts and Overhead Projector Carts have four easy roll casters.
